

Rentgenová difrakce

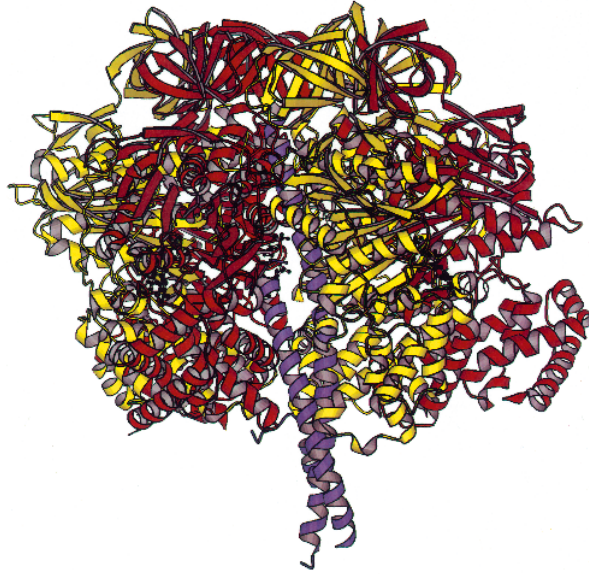

Róbert Gyepes

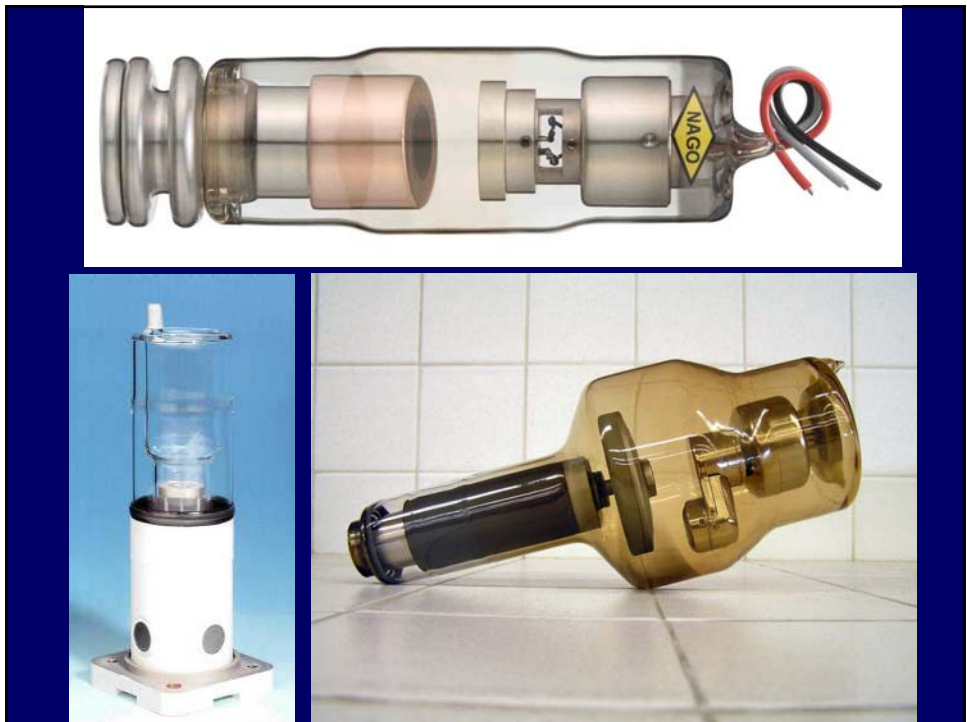

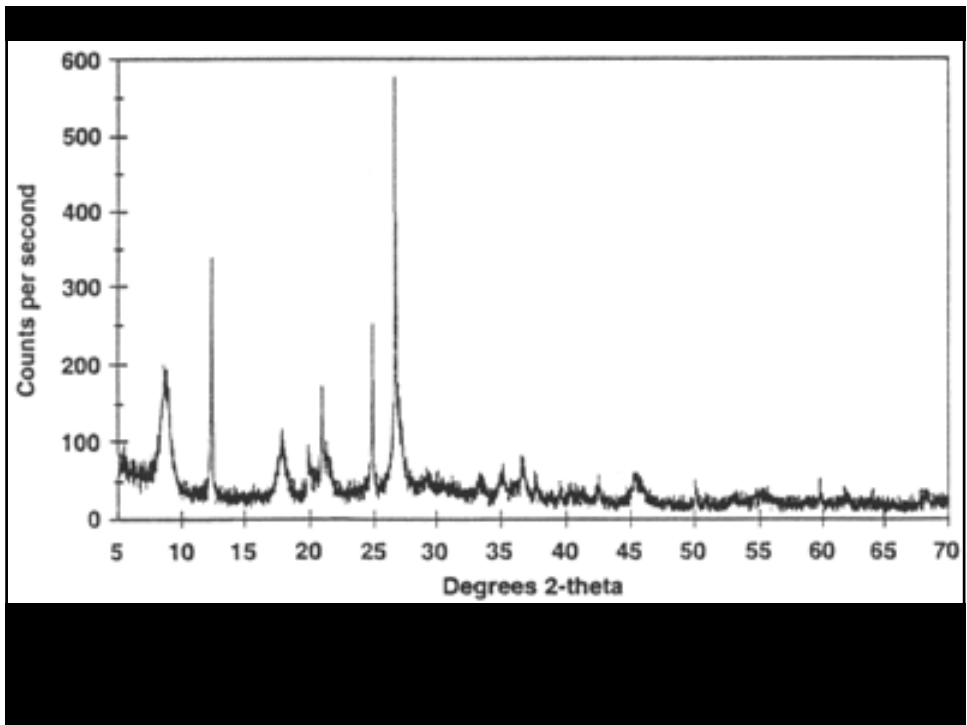

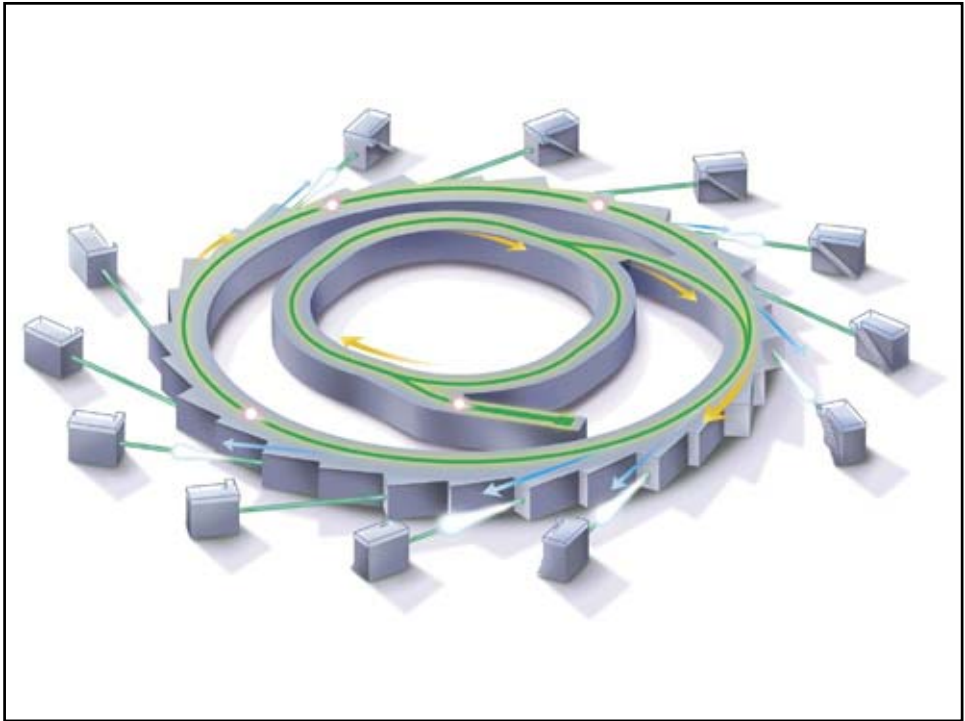

Grafické zobrazení struktury proteinu

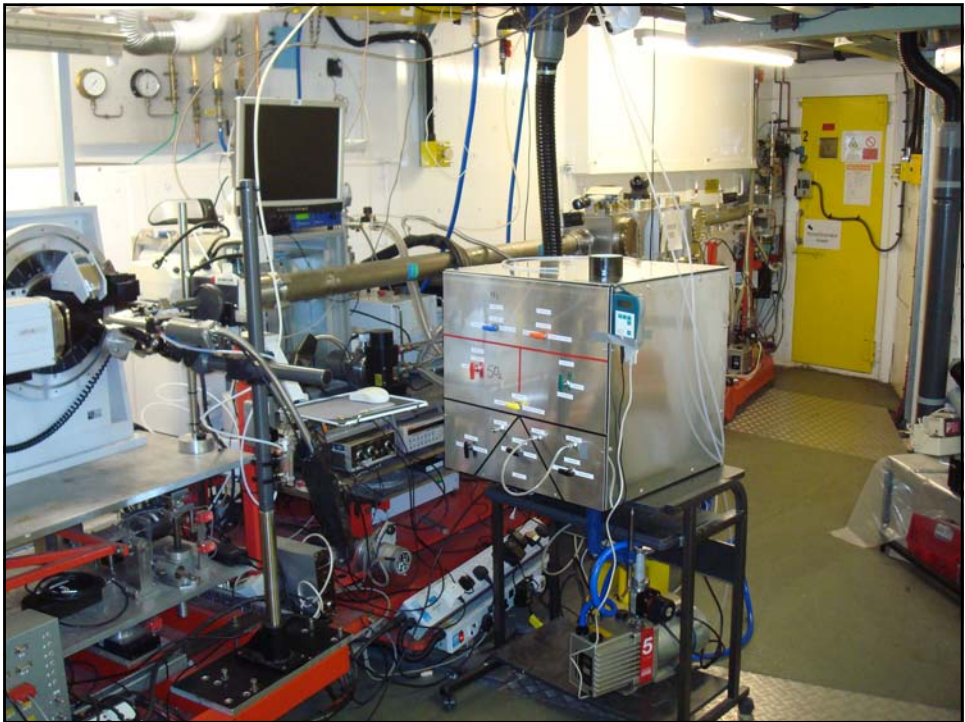

enzym skotu syntetizující ATP

Krystalografické databáze

CSD Cambridge Structural Database

- krystalové struktury látek s alespoň jednou vazbou C-H.

ICSD Inorganic Crystal Structure Database

- krystalové struktury látek obsahující alespoň jeden "nekovový prvek"
a bez vazby C-C či C-H

PDB Protein Data Bank

- struktury bílkovin, virů, DNA určené rtg. nebo NMR

NDB Nucleic Acid Database

- struktury DNA, RNA

Crystmet

- struktury kovů, slitin, minerálů

PDF - Powder Diffraction File

- prášková difrakční data
